

HKMJ February 2015 CME/CPD for Fellows and non-Fellows

The *Hong Kong Medical Journal* has introduced CME/CPD for Fellows of the Hong Kong Academy of Medicine (HKAM), and registrants of the MCHK CME Programme under the HKAM or the Hong Kong Medical Association can also participate. It is based on published articles in the Journal, and the Editorial Board aims at selecting topics of more general interest to a wide range of specialties. For HKAM Fellows, decision of whether any of the selected article(s) is/are appropriate for CME/CPD exercise rests with the CME/CPD committee of their representative Colleges. Answer sheets sent by Fellows of College(s) that do not assign CME/CPD points will not be processed.

The amount of CME/CPD points awarded (for specialist CME/CPD) to each of the articles by the specific Colleges is indicated at the bottom of this page. Fellows of the specific Colleges can either participate by returning the answer sheet to the quizzes by mail/fax to the Academy or doing the quizzes online at iCMECPD (<http://www.icmecpd.hk>). If Fellows choose to do a quiz online, their answer sheet for the same quiz sent to the Academy by mail/fax will not be processed.

For the MCHK CME Programme, one CME point has been accredited per article by the Academy. Registrants of the MCHK CME Programme must mail or fax the completed answer sheet to their respective Administrator. **Registrants of the Academy must return the answer sheet to the Academy, similarly registrants of the Medical Association must return it to the Association.** The Academy and the Association, who are both appointed as Administrators for the MCHK Programme, will not be responsible for re-directing answer sheets sent to the wrong Administrator by mistake to each other.

Instructions:

1. Fill in the personal particulars in the answer sheet.
2. Shade the correct answer square for each question.
3. Mail or fax the Answer Sheet to the Academy or the Medical Association by **31 March 2015**.

<i>Category</i>	<i>Answer sheet to be mailed/faxed to:</i>
Academy Fellows; <i>OR</i> Registrants for the MCHK CME Programme under the Academy	Ref: CMECPD Hong Kong Academy of Medicine, 10/F, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong; fax: (852) 2505 5577
