

SingHealth is recruiting BIOMEDICAL RESEARCHERS

- SingHealth is Singapore's largest public healthcare cluster, delivering comprehensive, multi-disciplinary and integrated care. We also advance healthcare, education, and research to continuously improve care outcomes for patients.
- We are looking for top biomedical researchers to join us in our pursuit to define tomorrow's medicine.
- Apply now if you are in any of the following research areas:
 - Cardiovascular Emergencies | Diabetes and Metabolic Diseases | Immunology and Transplant | Infectious Diseases | Musculoskeletal Sciences focusing on Geriatric | Neurosciences | Oncology | Ophthalmology | Perioperative or Pain Management | Radiological Sciences or Medical Imaging
- Requirements:
 - Excellent research, publication and grant funding track record
 - Experience in mentoring budding researchers
