

SINGAPORE GENERAL HOSPITAL

Singapore General Hospital (SGH), established in 1821, is the largest acute tertiary hospital in Singapore and ranked amongst the world's best. It provides the most comprehensive patient-centred care with over 50 clinical specialties on its campus. As an Academic Medical Centre, it takes pride in training healthcare professionals and conducting cutting edge research to meet evolving needs of the nation as well as the region. Driven by a strong sense of purpose, SGH is committed to give of its best to heal and bring hope, as it has for over 200 years.

The Department of Urology is looking for a suitably qualified candidate to join us as **Endourologist**.

Requirements

- Basic Medical Degree and postgraduate qualification such as FRCS, FRACS, American Board of Urology, recognized by the Singapore Medical Council
- Completed specialty training and must be able to obtain specialist accreditation and registration in Singapore
- Must be registered as a specialist in their current practice place and have at least 2 years of relevant experience from the date of specialist registration

Application

To apply, please e-mail your application with a detailed curriculum vitae stating full personal particulars, educational and professional qualifications/registrations, internship postings, training and career/employment history from the time of completion of internship to current, publications and presentation details, research activities, present and expected salary, names and contacts of at least two professional referees to: careers.medical@sgh.com.sg
